**PARKER NECK ASSOCIATION  
SECRETARY'S CERTIFICATE  
WITH RESPECT TO  
THE FIRST AMENDMENT OF THE BYLAWS**

I, Alvin E. Toombs, being the duly elected Secretary of Parker Neck Association (the "Association"), do hereby certify that on June 11, 2011 the Association duly adopted at a duly called meeting of the Members a first amendment to the Amended and Restated Bylaws of Parker Neck Association [Version Date January, 2, 2007], recorded in the Sagadahoc County Registry of Deeds at Book 3067, Pages 60 et seq. (such bylaws referred to as the "Bylaws" and such amendment referred to as the "First Amendment of the Bylaws"), with such First Amendment of the Bylaws (i) removing Sections 3.14, 4.4 and 5.7 in their entirety and (ii) inserting in lieu thereof the following Sections:

**Section 3.14 Notice and "Notice and Billing Address"**

The term "Notice and Billing Address" for any Member of the Association shall mean (i) the United States Mail postal address or electronic mail ("e-mail") address provided by the Member in a signed writing to the Secretary of the Association and identified as the address to be used for notices and other communications from the Association, or (ii) absent such notice from the Member, the address of such Member's Lot. If a Member provides an e-mail address pursuant to subsection (i) immediately above, (a) e-mail to such e-mail address shall be the default delivery method unless requested otherwise by the Member in writing and (b) notices sent to such e-mail address (1) shall constitute written notice under these Bylaws and the Declaration and (2) may be used in lieu of a mailing whenever notice by mail is called for or permitted in these Bylaws or the Declaration. Any such e-mail shall be deemed delivered and received the day after it is sent.

**Section 4.4 Notice of Meetings**

Written notice stating the place, day and hour of the annual meeting shall be delivered not less than thirty (30) or more than sixty (60) days, before the date of the meeting and written notice stating the place, day and hour of a special meeting, as well as the purpose or purposes for which such special meeting is called, shall be delivered not less than fifteen (15) or more than forty five (45) days, before the date of the special meeting. Such notices shall be delivered, either personally or by mail, by or at the direction of the President, the Secretary, the Registered Agent, or the officer or persons calling the meeting, to each Member entitled to vote at such meeting. If mailed, such notice shall be deemed delivered when deposited with postage prepaid in the United States mail, addressed to the Member at the Notice and Billing Address of the Member. Notwithstanding the foregoing, notice by e-mail may be used in lieu of other means of delivery if a Member has authorized notice by e-mail pursuant to Section 3.14 (i).

**Section 5.7 Notice of Meetings - Waiver**

No notice need be given of any annual meeting of the Board of Directors. Notice of regular and special meetings of the Board of Directors shall be given to each Director, personally or by delivery to his home,

or by telephone, or by e-mail at least three (3) days prior to the day specified for such meeting, and such notice shall specify the time and place of the meeting and, in the case of a special meeting, the business to be transacted thereat. Waiver of notice signed by a Director either before or after a Board of Directors meeting shall obviate the need of formal notice and call as to that Director.

I, Oliver S. Dominick, being the duly elected President of the Association, hereby confirm the foregoing and further confirm that Alvin E. Toombs is the duly elected Secretary of the Association.

**PARKER NECK ASSOCIATION  
SECRETARY'S CERTIFICATE  
WITH RESPECT TO  
THE FIRST AMENDMENT OF THE DECLARATION**

I, Alvin E. Toombs, being the duly elected Secretary of Parker Neck Association (the "Association"), do hereby certify that on June 16, 2012, the Association duly adopted at a duly called meeting of the Members a first amendment to the Restated Comprehensive Declaration of Protective Covenants, Reservations, Restrictions and Easements of Parker Neck, [Version Date January 2, 2008], recorded in the Sagadahoc County Registry of Deeds at Book 3067, Page 36, et seq. (such declaration referred to as the "Declaration" and such amendment referred to as the "First Amendment of the Declaration"), with such First Amendment of the Declaration (i) removing Section 4.5 B in its entirety and (ii) inserting in lieu thereof the following Section:

**"B. Speed and Motor Vehicle Operation**

Maximum speed on the Roads shall be twenty (20) miles per hour or such other speed as may be established by the Board of Directors from time to time. No person may operate a motor vehicle on the Roads unless he or she is legally allowed to operate on a public highway. Association Members shall advise their workers and guests to observe the speed limit.

Motorized recreational vehicles, including 'all terrain vehicles' (all such vehicles collectively referred to as "ATV's") may only be used on Association Roads and other Common Property for utility purposes, including but not limited to transportation to and from work projects involving Association Roads or other Common Property; transportation to and from a work project by one Member (or his or her family) for another Member; transit by a Member across Association property which separates portions of such Member's property; or transportation in an emergency where there is no better transportation available. However, such permitted use of ATV's is subject to the following restrictions:

1. The ATV operator must be licensed to operate a motor vehicle on Maine public roads.
2. The ATV must be insured by its owner for liability and property damage when operated off the owner's property.
3. The ATV must be kept to the right on the Roads.
4. The ATV must be operated at speeds that are safe for the particular vehicle, but in no event at a speed greater than the maximum speed applicable to all vehicles.
5. Use of an ATV pursuant to this section shall constitute acceptance by the user of the conditions and restrictions in this section and shall further constitute such user's agreement to release the Association, its officers and directors, its Members and all members of the Members' families (all such parties referred to as the "Association Parties") from any loss, cost, expense or liability

related in any way to the use of the ATV on the Roads and other Common Property; and such user further releases and waives any rights to bring any legal action in connection with the foregoing. Each user of an ATV on the Association Roads or other Common Property further indemnifies the Association Parties from any loss, cost, expense or liability related in any way to such person's use of the ATV on the Association Roads or other Common Property. If required by the Board of Directors an ATV user must sign a waiver, release or such other document as may be required by the Board, prior to such person operating an ATV on the Association Roads or other Common Property.

- 6. Notwithstanding the foregoing, the Board of Directors may adopt other restrictions on the use of ATV's and may terminate an individual's use of an ATV or all use of ATV's if it determines that that is in the best interests of the Association and its Members.
- 7. The use of motorized recreational vehicles on the Association Roads must comply with Maine State law Title 12 - Section 13157A, or such other laws and regulations as may then be applicable.

Recreational use of ATV's on Association Roads and other Common Property shall not be permitted. The foregoing restrictions are not meant to exclude the use of ATV's on private property."

I, Oliver S. Dominick, being the duly elected President of the Association, hereby confirm the foregoing and further confirm that Alvin E. Toombs is the duly elected Secretary of the Association.
